Recent Council Actions

At their regular Council meeting on Monday, November 7, City Council made the following actions:

- Authorized the agreement for design and construction related services for Owasso Street Realignment Project. This realigns Owasso Street with County Road E to the west to create a four corner signalized intersection that will enhance both motorist and pedestrian safety. In addition, the project will support the redevelopment of the Midland Terrace Apartment site. Staff has applied for a Livable Communities Demonstration Grant to assist in payment of this project. Staff estimate that this project will begin final design this fall with bidding in the spring and on-site construction to begin by Summer 2012.
- Recognized Sean Celski, a student at Mounds View High School and a member of Scout Troop 9625. Sean was awarded Eagle Scout, the highest rank in Boy Scouts of America. Sean renovated landscaping at Peace United Methodist Church.
